It's maze time!

Cat & Mouse is the latest \$3 maze style extended-play game from Instant Scratchies.

Players are guided through the maze by an 'arrow' symbol. Follow the arrow directions with the aim of finding an 'exit' to win a prize.

Top prize = \$75,000

## Play Instructions

1. To enter the "MAZE" play area, scratch the "ENTER HERE" square to reveal the first arrow.
2. Scratch the square next to the arrow in the direction indicated by the arrow to reveal a second arrow.
3. Scratch the square next to the second arrow, in the direction indicated by the second arrow, to reveal a further arrow. Continue to scratch and follow the arrows in this way to make a path or paths through the "MAZE" play area.  
Arrows will point in one (1) of four (4) directions as follows:

← = GO LEFT → = GO RIGHT ↑ = GO UP ↓ = GO DOWN

4. If ↔ BOTH WAYS is revealed, scratch both squares next to the ↔ BOTH WAYS square in the directions indicated by the arrow. FOLLOW BOTH PATHS in accordance with the above play instructions.
5. Any path revealed may lead to a money prize or "END PATH".
6. If a path leads to "END PATH" the path finishes and no prize is won.
7. If by following these instructions, you reveal a complete uninterrupted path from "ENTER HERE" to a prize amount, you win that prize.
